

## NEW STUDENT INFORMATION FORM

Welcome to Windhover Farm and the fun world of horseback riding. Students should show up to their first lesson with comfortable clothes to ride in (shorts and jeans can be uncomfortable when riding) and boots. The boots do not need to be riding boots as long as they have a heel and a flat sole. This is important as it helps keep their feet in place in the stirrups. We have lesson helmets at the barn. But riders are welcome to bring their own. All riders must wear a helmet while they are mounted.
